ARTICLE 14 HOLIDAYS, SICK LEAVE & OTHER LEAVES

14.01 Holidays.

The employees shall be entitled to the same holiday schedule as all other County employees as set forth in the County Policies and the Sheriff's Policies. Any excused absence taken the day before or after a holiday shall not in any way penalize an officer from receiving the paid holiday. In the event that an officer takes sick leave or vacation on a holiday, then the officer shall still receive credit for the holiday.

14.02 Holiday Pay.

Holiday pay for Deputies, Jailers and Telecommunicators shall be calculated as follows:

- On duty employees receive pay for hours worked at one and one-half their regular rates, plus 8 hours straight-time pay.
- Off duty employees receive 8 hours pay at straight-time pay.

In both cases, the 8 hours straight-time pay for the holiday does not count as hours worked for purposes of overtime entitlement.

14.03 Sick Leave.

The sick leave policy as currently set forth in the County Personnel Policy Manual and the Sheriff's Office Policy & Procedure Manual shall be maintained, as a minimum standard, for the duration of this Agreement, subject to the following modifications.

- A. If an employee covered by this Agreement utilizes less than 12 hours of sick leave in a calendar year, the employee shall have the option of banking one-half (50%) of unused sick time to be used at a later date when needed by the employee, and receiving the remaining half (50%) in pay. This is a yearly option at the discretion of the employee. Unused sick leave shall accrue from year to year up to a maximum of 1,440 hours.
- B. An employee who leaves the employment of the County, other than for disciplinary reasons, shall be paid for any unused sick time, up to a maximum of 480 hours, provided such employee has completed at least one full year of continuous service. An employee who has not completed one full year of service or whose separation is the result of any disciplinary action shall not be paid for any unused sick hours.

However, if other County employees are accorded leave policies that exceed those provided to employees covered by this Agreement, then employees covered by this Agreement will be accorded those same leave policies.

14.06 Association Members Leave.

The County will comply with the provisions as set forth in the Family and Medical Leave Act of 1993 and the policies set forth under the current County Personnel Policy Manual and the Sheriff's Office Policy & Procedures Manual.

ARTICLE 15 SENIORITY

Seniority shall be defined as the length of service by an Officer with Orange County in a capacity covered by this Agreement.

- A. Applicability. Consistent with this Article, seniority shall apply in the selection of days off, vacation days, layoffs and recall, provided, however, that the Supervisor has the right to assign shifts, zones, and such assignments at his/her discretion, without using seniority as the sole factor.
- B. Days Off / Vacation. Seniority shall be the sole factor in the selection of vacations and shall operate within a division, shift, or unit as applicable. When an Officer transfers from one division to another at his own request, and where the transfer causes a conflict with vacations or other assignments where seniority is used, the Sheriff shall attempt to allow the transferred employee his/her previously selected vacation and days off. However, other employees shall not be required to forfeit days off or previously scheduled vacations. The current system for bidding days off and vacation days shall be maintained.
- C. Layoff / Recall. Seniority shall be the sole factor in layoff and recall, with layoff being accomplished beginning with the least senior Officer in the Correctional Officer job classification, and recall beginning with the most senior Officer in the highest job classification. In the event that the Sheriff determines in good faith that the elimination of positions within a classification is necessary for the improved operation of the Sheriff's Office, seniority shall be the sole factor in the demotions.
- D. Job Assignments. Seniority will be considered in job assignments but will not be used as the sole factor. Management has the right to assign jobs to insure smooth operations of the Sheriff's Office.

ARTICLE 16 PROMOTIONS

16.01 Competitive Promotional Examinations

- A. Competitive Promotional Examinations shall be given by the Orange County Sheriff's Office and the promotional procedures set forth in this Article shall be followed for those classifications of Deputy, Telecommunication Operator, Investigator, Corporal and Sergeant in the Patrol and Corrections Division. The Chief Deputy, Captains and Lieutenants are non-tested "staff" positions and the Telecommunication Supervisor is a non-tested position. A Telecommunication Supervisor must have an advanced certificate and at least (5) years on the job experience. The Sheriff may waive this requirement in the event that there are no candidates who meet the requirements.
- B. Only Investigators and Patrol Corporals will be allowed to test for a vacant Patrol Sergeant position. In the event that no Investigators or Patrol Corporals choose to test or do not make the criteria for a Patrol Sergeant position, then qualified Patrol Officers in the respective division where the vacancy exists, will be allowed to test and be considered before seeking outside personnel. If no Patrol Officers make the criteria then the Sheriff can hire from outside of the Sheriff's Office.
- C. Selection of Corporals shall consist of a three (3) step procedure:
 - 1. Must have successfully completed the courses specified in the Orange County Sheriff's Office Policy and Procedure Manual.
 - 2. Have a satisfactory job performance record; and not on disciplinary probation at time of testing.
 - 3. Service in Patrol or Corrections Division.
- D. Selection of Investigators:
 - 1. A written examination testing the candidate's knowledge in the area of criminal investigation.
 - 2. Completion of the courses specified in the Orange County Sheriff's Office Policy and Procedure Manual.

16.02 Eligibility. Officers who meet the qualifications for the position that they are testing for, and have successfully completed the probationary period in the job classification where they are assigned, may compete for a promotion to the next highest level. In certain situations, due to an urgent need to fill a position, the Sheriff or his designee may waive the probationary period when the employee would otherwise be eligible to compete for a position in the next highest level. In cases where an opening exists that requires special training or experience, the Sheriff retains the right to hire a trained or experienced person drawing from any

available sources where no such trained or experienced person is available from within the Sheriff's Office.

16.03 Guidelines For Promotions. The following are general guidelines on the qualifications for each position to be tested:

- A. Corrections Corporal: one year experience as a Correctional Officer and completion of any probationary period.
- B. Patrol Corporal: one (1) year experience (minimum) as a Patrol Deputy and completion of any probationary period.
- C. Investigator: one year experience as a Patrol Deputy (or the equivalent) and completion of the basic investigation courses as specified in the Orange County Sheriff's Office Policy and Procedure Manual.
- D. Correctional Sergeant: one (1) year experience (minimum) as a Correctional Officer or Corrections Corporal and completion of any probationary period.
- E. Patrol Sergeant: two (2) years experience (minimum) as a Patrol Deputy or Patrol Corporal and completion of any probationary period. Completion of the courses specified in the Orange County Sheriff's Office Policy and Procedure Manual.

The Sheriff or his designee will still retain the right to transfer positions within classifications at his discretion.

16.04 Posting Notice. In the event that a vacancy exists for a position in a classification where a competitive examination is required, the Sheriff's Office shall post a notice of the examination no less than ten (10) days prior to the examination. The notice shall also include the reference materials, as sources, for questions on the written examination. All reference materials shall be made reasonably available to officers competing for the vacancy upon request. Any violation of this Section shall automatically invalidate any promotional examination given or promotional list established. An eligibility list will be maintained in effect for a period of one (1) year unless earlier exhausted. Following the earlier of exhaustion or expiration, subsequent testing shall be conducted as the need arises.

16.05 Testing. All competitive examinations given by the Sheriff's Office under this article shall be conducted as follows:

- A. Written examination. Any officer eligible for the classification being tested may take a written examination. Questions on the written examination shall be based only upon the source materials posted in the examination notice. Any officer who receives a passing score on the written test (i.e.: seventy (70) percent, or better) may then take the oral examination and be

placed on the promotional eligibility list. The written examination shall constitute sixty (60) percent of the total promotional examination score.

- B. Oral Examination. An oral examination shall be given by a four (4) member oral board. The oral board shall be comprised of the Chief Deputy, Captain and Lieutenant of the Division in which the vacancy exists. The Captain shall pick the fourth (4th) member of the oral board from among the employees within the same division. That member can be a Sergeant, Corporal or Deputy of the same Division. Fair questions shall be formulated by the four (4) member oral board regarding job related tasks. Maintaining the scoring and evaluation system will be the responsibility of the oral board. The oral examination score will count as thirty (30%) of the overall score. The balance of the overall score shall include the written test score (60%) and seniority points (up to 10%). The board shall tabulate their results and forward them to the training officer within one (1) working day of the board's completion of the interviews.
- C. Seniority. Officers competing for a vacancy and who take the oral examination shall receive one (1) point per year of service, up to ten (10) years of service. Outside applicants shall receive (1) one point per two years of service, up to 10 years of service. Seniority shall constitute up to ten (10) points or ten (10%) of the total examination score and shall be added to the total overall score.

16.06 Eligibility List

- A. After all test scores are totaled an eligibility list shall be established. Each officer who completes the written and oral examination shall be ranked on a promotion list according to the total number of points accumulated. The officer attaining the highest cumulative score shall be ranked number one, and each other officer shall be thereafter ranked based upon consecutively lower scores until the last person on the eligibility list is the person with lowest cumulative score.
- B. Sheriff may promote from the top five (5) contenders remaining on the eligibility list. Normally, the highest of the five (5) candidates will be promoted. However, the Sheriff may bypass one or more candidates for valid reasons. An officer who is bypassed shall, upon written request, be given a written notice of the reasons for bypass. A bypassed employee remains on the eligibility list unless bypassed three (3) times, at which point his/her name shall be removed from the eligibility list.
- C. The eligibility list shall be valid for one (1) year from the date the eligibility list is posted unless earlier exhausted. .
- D. Any officer promoted pursuant to this section shall serve a six-month evaluation period, during which time the Sheriff may demote the officer to

his/her previous classification for any unsatisfactory job performances or unsatisfactory written evaluation, provided such classification remains open. In the event that the previous classification is not open, the Sheriff may demote the officer to another open position that is closest to the officer's previous classification.

- E. Employees will not be eligible to test for promotions without required departmental training.
- F. Testing and promotion will be denied to all officers on disciplinary and/or administrative probation at the time the test is actually given.
- G. Testing shall be structured as follows:
 - 1. Corrections Officer to Patrol Deputy.
 - 2. Jail Corporal to Jail Sergeant.
 - 3. Patrol Corporal to Patrol Sergeant.
 - 4. Corrections Officers to Jail Corporal.
 - 5. Patrol Deputy to Patrol Corporal.
 - 6. Patrol Deputy to Investigator
 - 7. Patrol Corporal to Investigator
 - 8. Investigator to Patrol Sergeant
 - 9. Patrol Sergeant to Investigator
- H. All employees transferring and/or hiring into any of the above positions, as outlined above in Section 16.06 (G), must successfully complete all required departmental training as certified by the training officer to qualify for promotional consideration.
- I. Any individual hired from outside the department will be required to take the same written and/or oral examinations as current employees for the open position and all applicable requirements must be met.

16.07 The foregoing notwithstanding, the Sheriff shall have the discretion to credit a newly hired employee for prior law enforcement/corrections experience for purposes of the wage scale up to the second step in any classification.

In the event that an officer or the Association fails to meet the time limits of the procedure, the grievance shall be considered satisfied and no further action shall be taken. Failure by the Sheriff or the County to meet the time limits at any Step shall be considered an unsatisfactory response and shall automatically allow the grievance to be moved to the next step. Any time restrictions in this Article may be waived by written, mutual agreement of the parties.

Step 1. Each employee who alleges that a dispute exists shall first discuss the dispute with an immediate or intermediate supervisor, or the Sheriff, as applicable. If the Sheriff determines that the grievance involves matters solely within control of the County, the grievant shall be directed by the Sheriff to discuss the matter with the County Judge or his designee. The Employee or the Association shall verbally initiate the informal Step 1 grievance process within thirty (30) calendar days of the Employee's actual or constructive knowledge of the occurrence of event(s) giving rise to the dispute.

Step 2. If the dispute is not resolved by the immediate Supervisor, the Sheriff or the County Judge or his designee within fifteen (15) calendar days after commencement of the first step of the grievance procedure as set forth in Step 1 above, the grievance will be reduced to writing and submitted to the Sheriff or County Judge as applicable. The Sheriff and Association will alternately strike from the list until one name remains. The party making the first strike shall be determined by coin toss. In the event that the list provided by the Jefferson County DRC contains an even number of names, the final selection when the list reaches two unstricken names shall also be determined by a coin toss

Within ten (10) business days following the Grievant's submission of notice of intent, the matter shall be formally submitted to the

Disciplinary Review Board. The Grievant and the Sheriff may each have a representative present with him/her during the Disciplinary Review Board hearings.

The Disciplinary Review Board's primary duties will be to review the facts and evidence of the case as provided by the respective parties and any witnesses, and render a finding as to whether the grievance "Has Merit" or "Has No Merit." If the Disciplinary Review Board finds that the grievance "Has Merit" then the Disciplinary Review Board shall also render a disposition as to the level of corrective action to the Sheriff. The level of action imposed may include supervisory action (counseling, training, etc.), written reprimand, suspension from duty without pay, demotion in rank or indefinite suspension (termination).
